TEETER—BARCO.

One of Hawthorn's Most Charming Young Ladies is Married.

Hawthorn, Sept. 8.—On Sunday morning, August 30, a pretty wedding was solemnized at the country home of the Teeters, near Hawthorn, when the youngest member of the family, Miss Maude Olive, was united in marriage to Mr. Alston B. Barco of Tampa, only the immediate family being present.

While the company waited Miss Suzee Teeter played "Golden Road" and then to the soft strains of Mendelssohn's Wedding March the bridal party entered the parlor and took their places before the Rev. Joseph Bell of St. Petersburg, who, using the beautiful ring ceremony of the Methodist Church, pronounced them man and wife.

The bride looked very sweet and dainty in her wedding dress of point d'esprit over cream taffeta, trimmed in point lace and fillet.

At 10 o'clock a dainty breakfast was served, after which the bride and groom left on the noon train for Tampa, their future home.

Miss Maude has been a special favorite among the younger set at her home and in Arcadia, where she has been for the past year.

Mr. Barco is one of Tampa's promising young business men, and we predict for them a long and happy life.

Dickinson Still Busy.

From Wednesday's Daily: Tax Collector Dickinson and his assistants are still busy with the sale of the delinquent tax list, and the same has been the means of bringing many out-of-town people to the city.

Several people have managed to pick up real bargains at these sales should they gain them through tax deed, but some few have been sadly bitten by the buying in of property, when they thought they had purchased something extra good, to find they had only a small lot in an out-of-the-way spot not really worth the amount of taxes and costs for which it was sold.

For a mild, easy action of the bowels, a single dose of Doan's Regulets is enough. Treatment cures habitual constipation. 25 cents a box. Ask your druggist for them.

BAIRD TO REBUILD HIS MILL AT ONCE

Has Leased the Brown-Jenings Hardwood Plant For That Purpose.

WILL COMMENCE SAWING SOON

This Will Assure Farmers and Others of Their Basket Supply for Coming Season—Will Use Leased Plant for Only Short While.

From Tuesday's Daily Sun:

Not slow to realize that something must be done at once, E. J. Baird, who had the misfortune to be burned out of his veneering plant and sawmill, has already begun operations for the erection of another plant.

With this purpose in view he has leased the large plant of the Brown-Jenings Hardwood Company, which is temporarily shut down, for a short period, to cut lumber to rebuild and to fill temporary orders he is now receiving.

The new plant Mr. Baird proposes to erect will be more modern in every respect than the old one, and he assures the truckers that he will be able to put them up a basket that will be equal to all occasions.

This plant annually employs a large number of hands and its destruction will be felt by the merchants until the new plant is erected, as the pay roll for both sawmill and veneering mill was a large one.

Mr. Baird was unfortunate in not having any insurance on his old building, but he is not daunted by this and will push the new venture with all the vim he has.
